MA, I WANNA BE FAMOUS!...OR WOULD YOU SETTLE FOR A WORKING ACTOR?:

How to become a professional actor/comedian in Canada.

Everyone wants to be a star...but so very few ever actually have that happen. The entertainment business moves quickly and is a very harsh world. The majority of those who actually develop a career in this business, cast dreams of one thing....being a working actor. Join this panel of actors and comedians as they impart their knowledge of the business, discuss how they got to where they are, agents and managers, and tips on how to get started. If you are looking to start a career in this business, this is a talk back that should definitely not be missed!

BUILDING A CREATION : Independent Artists & Theatre Companies

Many people are not aware of how the theatre world functions. Most assume that if you want to be in the "business" that means you MUST be a commercial actor. Our panel of gifted artists will discuss what the Toronto and Canadian Theatre Scene has to offer! From everyone like Mirvish Productions, all the way to independent theatre companies which are built by actors themselves. These amazing talents will also discuss all options for talented artists, not just acting, but all areas of the theatre world. This talk back should not be missed, especially by those who are university bound and wanting a career in the entertainment business.

MUSICIAN'S CHOICE : What does it take to be a professional Musician/Artist?

The state of the music industry has changed drastically over the last 40 years, but one thing that has always remained the same is the element of hard work. It is very deceiving these days for today's youth, as they see artists like Justin Bieber catapulted to super stardom in what seems like hours....but what audiences neglect to see is the work that was done in order for that big break to even happen. ...and for some, it never happens at all. Please join us as we welcome musicians Igor Lazebnik (Singer/Guitarist of the band MORRE), veteran musician Phil Naro (DDrive, Emmy Award Winner), and a surprise 3rd special guest as they come together to discuss the music industry, their careers, and tips for those looking to enter into the music business.

Igor Lazebnik (Singer/Guitarist of the band MORRE), Phil Naro (Singer of the band DDrive, Emmy Award Winner), 3rd special guest to be announced!
